- Optional locking handles available to convert other Cimberio ball valves to CimSECURE valves (see reverse)

cimB12.1 Full Port Ball Valve w/Square Head Stem and Locking Tumbler System

- Manufactured ISO 9001
- Residential or commercial use
- Blast/impact proof stem
- Unique removable stem tumbler great for temporary safety lockout
- Stem tumbler is reusable and can be used on multiple valves
- Ideal for sanitary systems, heating/pneumatic systems, waterworks

Size	Cim No.	List Price
1/2"	B12-04	\$106.37
3/4"	B12-06	\$115.82
1"	B12-07	\$130.64
1-1/4"	B12-08	\$159.40

cim12SI.1 Full Port Ball Valve w/Key Locking Handle

- Manufactured ISO 9001
- Residential or commercial use
- Blast/impact proof stem
- Lock operates as security and safety applications in both the open and closed positions
- Ideal for sanitary systems, heating/pneumatic systems, waterworks, gas applications

Size	Cim No.	List Price
1/2"	12SI-04	\$71.61
3/4"	12SI-06	\$79.56
1"	12SI-07	\$97.98

cim34SI.1 Ball Bib Cock w/Key Locking Handle

- Manufactured ISO 9001
- Blast/impact proof stem
- MIPT inlet x standard garden hose thread outlet
- Exceptional wear resistance
- High quality ball valve and internal parts are superior to needle valves
- Lock operates as security and safety applications in both the open and closed positions

Size	Cim No.	List Price
1/2"	34SI-04	\$79.67

cim954C.1 Key Locking Handle

- Manufactured ISO 9001
- Key-A-Like available
- Works on all Cim12 based heavy pattern ball valves including all CimPRESS ball valves

Size	Cim No.	List Price
1/2"	954C-04	\$55.14
3/4" - 1"	954C-0607	\$55.14

cim957.1 Square Head Stem and Locking Tumbler System

- Manufactured ISO 9001
- Key-A-Like available
- Works on all Cim12 based heavy pattern ball valves including all CimPRESS ball valves

Size	Cim No.	List Price
1/2" - 1"	957	\$63.46

cim961.1 Anti-Tamper Handle Kit

- Does not require a separate lock
- Handle slots correspond to grooves in valve body
- Works on all Cim12 based heavy pattern ball valves including all CimPRESS ball valves or on Cim17 standard pattern ball valves with a Cim971 handle adapter

Size	Cim No.	List Price
1/2" - 1"	961-040607	\$6.68
Security Key for Recessed Stem Nut		
1/2" - 1"	960	\$4.93

cim963.1 Padlock Locking Wing "Dog Ear" Handle

- Manufactured ISO 9001
- Works on all Cim12 based heavy pattern ball valves including all CimPRESS ball valves

Size	Cim No.	List Price
1/2"	963-04	\$20.58
3/4" - 1"	963-0607	\$27.19
